

We're Hiring

We're looking for a talented Client Manager to join our experienced, home-based team.

The successful candidate will work closely with our Publisher Management team as the primary point of contact for several SYSCO clients.

➤ Responsibilities:

- Managing a portfolio of affiliate marketing programmes
- Directing the development of your clients' affiliate marketing strategy and ensuring the successful execution of that strategy
- Interpreting data and putting together weekly, monthly, and quarterly reports and presenting to clients at review meetings
- Identifying new sources of revenue, optimizing affiliate marketing campaign strategies, communicating expectations, sharing best practices, and disseminating offers and promotions.

➤ Requirements:

- Bachelor's Degree and minimum of 3 years' experience, working in digital marketing or partnership marketing.
- Direct experience of affiliate/performance marketing at a network, publisher, agency, or client-side is desirable.
- Clear and effective communication
- Excellent at relationship building and management.
- The ability to convey complex results in a simple, clear manner, using solid business acumen, analyse data and develop strategies.
- Ability to execute a variety of tasks within designated time frames, delivering exceptional quality results and are able to directly contribute to the formation of client campaigns and quarterly business results.
- A talent for presenting to clients and experience of PowerPoint and Excel
- Familiarity with some affiliate networks' / SaaS platforms' interfaces

Affiliate Marketing Client Manager
